## CHANGE OF ADDRESS

California Code of Regulations requires that address changes be reported to the Landscape Architects Technical Committee within 30 days of moving. Reporting these changes will ensure that you receive necessary information on renewals and other matters important to your licensure. Failure to notify the LATC is a violation of Business and Professions Code Section 5657.

If you are a candidate for examination or a licensee and you have moved recently, please complete and submit the following form so that your record may be updated.
